WORK EXPERIENCE

Special Projects Capital Program Project Manager Intern

June 2026 - August 2026

NYC Department of Environmental Protection

- Assisted in planning and coordinating capital design and construction projects within the NYC watershed, supporting project schedules, compliance requirements, and stakeholder communication.
- Collaborated with project managers, engineers, contractors, consultants, and other stakeholders to address project issues and facilitate effective communication throughout the project lifecycle.
- Reviewed contract documents, plans, and regulations to identify deficiencies and monitor permit compliance.

Graduate Program Assistant

September 2025 - Current

NYU Steinhardt Office of Global Affairs

- Support end-to-end operational and strategic management of study abroad programs, optimizing workflows to enhance program delivery and stakeholder satisfaction across 12+ global locations.
- Conduct reporting and data validation to ensure compliance, increasing program efficiency and stakeholder satisfaction.
- Draft communications and develop outreach strategies to enhance student engagement and visibility of global initiatives.

Supply Chain Analyst / Executive Assistant to the CEO

August 2024 - July 2025

AriMax Global Corporation/ Matrix Analytics/ Arim Inc, New York, NY

- Optimized supply chain operations by coordinating procurement, supporting cost optimization, and sales to align inventory strategies and meet customer demand.
- Managed supplier performance, ensuring quality, cost efficiency, and compliance with international trade regulations.
- Served as a key liaison between the CEO and stakeholders, preparing executive summaries, reports, and presentations, while ensuring clear communication with internal and external partners.
- Provided high-level administrative support to the CEO, managing daily schedules, coordinating meetings, and ensuring seamless communication across departments, both on a national and international level.
- Created personalized sales campaigns within HubSpot and Sales Navigator, resulting in a boost in customer engagement and a reduction in sales cycle time.

Customer Success Fellow

Solstice Community Solar, Boston, MA

June 2023 - August 2023

- Optimized Zendesk, Salesforce, HubSpot, and the Solstice Customer management platform, enhancing customer service through CRM optimization.
- Executed proactive customer communication and education efforts, increasing customer engagement and satisfaction.
- Developed the Customer Success Team manual and organized the Customer Success Team Google Drive, improving team resource accessibility and consistency.
- Researched and crafted presentation materials for special projects, including churn prevention methods and clean energy.

INTERNATIONAL EXPERIENCE

Project Management in the Italian Motor Factory (Lamborghini)

February 2026 - May 2026

- Developed a strategic business case for Lamborghini to launch immersive brand experiences targeting younger audiences, aimed at building early emotional engagement and cultivating future customer loyalty, while engaging in an immersive project management program with a global field experience in Bologna, Italy
